

Yeshiva Scholarship Announcement

June 2012

The Yeshiva Scholarship Committee approved and published new Guidelines in April 2011 for eligibility of schools.

The Committee has reviewed many of the Yeshivas in Long Island and Queens and has so far compiled the following list of Yeshivas which we support. At this time, eligible Mashadi families can only get scholarships for new students if their children attend one of these schools:

Co-Ed Yeshivas

Ezra Academy
HAFTR
HANC
HALB
Har Torah
LIHA
North Shore Hebrew Academy
Ohr Haim
Ptach
Silverstein Hebrew Academy
YCQ (Grades 1 to 3)

Girls Only Yeshivas

Bnot Yaacov of L.I. (Elementary)
Central
Shalhevet High School
S.K.A. High School
YCQ (Grades 4 to 8)

Boys Only Yeshivas

D.R.S. High School
Kol Yaacov (Elementary)
M.T.A.
Rambam High School
YCQ (Grades 4 to 8)

Those students in other schools, who were already getting support, will continue to receive scholarship through their current phase (Elementary, Middle, or High School). A student finishing elementary school and entering middle school for example, will be encouraged to consider one of the above institutions to be eligible for scholarship.

Please note that this list is not necessarily a final list. **Parents who want other Yeshivas to be considered, are urged to take a copy of the Mashadi Yeshiva Scholarship Guidelines to the school board or principals, and get a letter from the school of their choice that states the school believes they meet the requirements of the Guideline.** The Committee will then get in touch with the school and evaluate the school for our support.
