OHR ESTHER WEEKLY DIGEST: 4-8-21

KIDS CLASSES OPEN! Bring your toddlers again and read the Torah in peace, bring your ping pong prodigy to our game room, or send your middle-schooler to our bar mitzvah training minyan!

JOKE OF THE WEEK: Q: Why do we clear our search engine browsing history before Passover?

A: Because Jewish computers cannot have 'cookies'.

SHALOM BAYIT TIP: Dr Gottman says that we should not be ambiguous with our partner. Be CLEAR & avoid passive aggressive comments. Instead of "Maybe I would be nicer if the room wasn't so messy" try "I would like for you to please be neater."

JEWISH FACT: The Torah lists only 4 animals that have either a split hoof or chew its cud (eg camel). Despite the millions of species that have been discovered, this has not been disproven. It is one of the proofs that the Torah is divinely written.

PARSHA PREVIEW: Shemini! On the eighth ('Shemini') day, Aaron & sons are coronated as temple priests, and bring sacrifices. Aaron's 2 older sons, Nadav & Avihu, bring an unauthorized incense and die. Kosher animals are prescribed (split hoof & chews cub, fins & scales, etc). *Submitted by Michael Hakimian.*
