Eruv

UMJCA Religious Council Announcement

To our dear Mashadi community,

Due to Tropical Storm Isaias, there has been extensive damage to the Great Neck Eruv. Lines are down and repairs are dependent on PSEG crews.

It not clear yet whether or not it will be ready for Shabbat, and at this time we should be prepared for it to be down. Regarding the general laws of Eruv, here are some practical things to be aware of.

When the Eruv is down:

- All forms of carrying are forbidden anywhere outside of a private area. This includes carrying keys, a mask, and even tissues in your pocket (wearing a mask on your face is ok).

- Remember to check your pockets before leaving your house.

Strollers and baby carriages cannot be pushed and children should not be carried.

- One may not ride a bicycle.

- Please be in touch with our Rabbanim and Religious Council for any questions you have and for further updates about the Eruv before Shabbat.

Wishing everyone a safe and healthy Shabbat.
