Switch to ברך עלינו instead of ברכנו on Mozaei Shabbat, Sat Night Dec 4, 2021
Halakhot: ■ If one said the ברכנו paragraph in error and realized before concluding the Berakha, he should return to ברך עלינו and continue ■ If one realized after finishing ברכנו, he should say in the שמע קולנו section the words ותן טל ומטר לברכה, and continue his prayer ■ If one realized his mistake after finishing the Amidah, one must return to the beginning and start over.
