

# SHAARE RACHAMIM

**Jonathan Aminoff**

I am 44 years old and an active participant in Shaare Rachamim since the day it was built. I have served on the MYC and Central Board over the years. For the last twenty five years my two passions have been being a professional equity trader in the stock market and a member of Hatzalah Volunteer Organization. These two careers have taught me how to evaluate tough situations and make important decisions clearly and quickly with conviction without ever giving up. I hope I take these skills and help grow Shaare Rachamim into a building that the entire community is proud of and enjoys.

**Emil Ben-David**

My name is Emil Ben-David, son of Ishay and Ruthy Ben-David. I have a beautiful wife, Michelle (daughter of Yosi and Esterica Nassimi) and we have two wonderful daughters, Keren (2 and 1/2 years old) and Rinna (1 year old). I feel honored to be selected as a candidate to run for Shaare Rachamim Synagogue Board. If elected, part of my goals will be to help create and implement ideas to drive more attendees and Shiras on a regular basis. I would like to see Shaare Rachamim become the number one choice of synagogue for all engaged and newly married couples, and to be a part of their celebrations. Being that I am blessed to be married and have two adorable girls, I see the challenges a young family faces to bring young children to synagogue. I would like to help create a more child friendly

atmosphere and help families feel more comfortable. I would also like to create new exciting events during the weekday, and help attract a more diverse crowd. We are a very unique community in that all types of people come together and act as one big family. I would like to see Shaare Rachamim continue to grow and succeed with the same values that make the Mashadi community so special. Thank you for this honor and I hope to make the entire community as proud as I am in what we have become.

**Moshe Enayatian**

Hi my name is Moshe Enayatian and I'll be running for the Shaare Rachamim Board. I've been blessed with a wonderful wife and 5 amazing children. My wife and I have spent the past number of years teaching Chattan and Kallah classes in our community. My passion and focus has always been and will always be Jewish Education. I would like to spend my time on a board focusing on how to improve and promote Jewish education in our community. If you share my beliefs please vote for me.

### **Daniel Etessami**

My name is Daniel Etessami, and I am the son of Farshad and Liza Etessami. I am married to Rachel, and God has blessed us with two children.

I would love the chance to give back to our community by being elected to the board of Shaare Rachamim. My grandfather, Mr. Abdolrahim Etessami, has spent his entire life serving the community, and my father dedicated almost 25 years of his life doing the same. Just like my grandfather and father before me, I believe it is my duty to pledge my time and service to the community that has already given me so much in my life.

### **Alon Gohari**

My name is Alon Gohari. I live in Great Neck with my dear wife and son. I have been involved in multiple community matters in the past including coaching our youth to a basketball championship. I enjoyed building relationships with our youth and dedicating time to work with them. My goal would be to help create more programming at Shaare Rachamim to build the community further. I appreciate all amazing work our community volunteers have done so that we can enjoy kanisa and community events. I hope I can pay it forward if elected for the Shaare Rachamim board.

### **Jacob Hakimi**

### **Leon Hakimian**

My name is Leon Hakimian and I'm looking forward to running for the Shaare Rachamim board. When I first starting dating my wife, Elisheva, five years ago, the number one thing we had in common was our passion to help our community. I have always enjoyed planning numerous community wide events and that's what I would like to continue doing. Additionally, I would like to focus more on the next generation of youth, since they are all we have to promise that our community will continue to flourish. Please vote for me so I can continue doing this as part of the board in a larger scale.

### **Benny Hematian**

Benny Hematian was born in Tehran in 1979 and immigrated to the U.S. with his parents, Anita and Effy Hematian, as an infant.

After high school, he attended New York University, where he received a B.A. degree in Marketing & Management with honors.

Benny is currently President of Effy Group, and manages operations of a large multi-national jewelry brand.

Benny started his community service activities as a youth, on the Mashadi Youth Committee, where he served as President, and has remained active ever since on many community boards and committees, including his current role on the Transitional Board of Shaare Rachamim Synagogue.

### **Eric Jamshidoff (Djemshidoff)**

I would first like to thank all of the community members who helped save Shaare Rachamim. If it wasn't for them, we wouldn't be having a synagogue board or a Kanisa to go to, may Hashem bless them and bless us always. Growing up being named after my grandfather, Mr. Isaac Djemshidoff ZTL, I would always hear stories of how much he helped the community back in the 1950s. I feel a personal obligation to help the community in any shape or form for everything it has done for me and my family. I'm running for Shaare Rachamim as a thank you to the community for everything.

**Jordan Karmily**

**David Sianes**

My name is David Sianes. I moved from Milan to New York in 2006, where I now live with my wife and three kids. I have enjoyed being a Gabbay at Shaare Rachamim for the past year. It's a privilege to help Kanisa and to be part of such a great community. If elected to join the board, I would like to help Shaare Rachamim continue its growth as a place for young families and all community members.

**Ted Yaghoubzadeh**

My name is Ted Yaghoubzadeh, and I was born in February, 1987 in Milan. In 2013, I moved to New York where I got married and started a new life.

I had the privilege to help during services in Share Rachamim for the past year, and now the great opportunity, if elected, to contribute more and more to the success of the Kanissa and the Community, with the help of H'.

Being part of the Mashadi Community is a privilege, and it is of substantial importance to me to show appreciation and try to give back as much as I can to the Community.

If elected, it will be my honor to serve for anything that is needed for the continuing success and betterment of the Kanissa.
