

SHAARE TOVA

Mikel Banilevi

Matthew Enayatian

My name is Matt Enayatian i am married to Alona Enayatian and we have a son named Liam.

Some of my goals are the following,

- 1- Security for Kannisa during Shabbat or high holidays.
- 2- Morning minyan strategy changes.
- 3- Kannisa parking during weekdays.

Abdolrahim Etessami

Behrouz Hakimian

David Hezghia

Hello my name is David Hezghia. I was born in Mashad in 1949 (1328) and lived in Eidgah, Sareh Heyte until I was 6 years old. At 7 we moved to Janaat in Mashad. I studied in the Islamic School called Taher until 4th grade. We then moved to Tehran where I attended the Jewish School called Kourosh. After I finished Kourosh I attended ORT Technical School and studied Live Electric and Auto Mechanic until I graduated. I have been working since then for the past 46 years. I married my wife Jila when I was 24. We have 1 son and 3 daughters. Our son Jonathan is married to Stefanie, and our daughters, Shirin is married to Rodney Rahmani, Debbie is married to Isaak Nassimi, and Shana is studying in College. Thank God I see it in myself and have the opportunity to return and help and serve my community again. In the past I have served on the Central Board, Mashadi Jewish of Great Neck, Talmud Torah Board, and other boards

for over 11 years. I was Treasurer of Mashadi Jewish for 3 years and during that term we built and opened the Mashadi Jewish Center. I was very active on all of these boards and served on almost every committee. I was in meeting almost every night then and on Sundays and now see it in me again to do so. I have also been running Yom Kippur Minyans, mainly at Colbeh, for the past 25 years. I think that I can take on any challenge as a Board member and do a great job. As a Board Member I will not stop until I finish the job at hand. I believe I can take on t any responsibility as a 6 Board Member, whether it is as Treasurer, Technical and Building matters, Financial and Expense matters, Security, and Safety matters as well. I can also take on matters with regard to the youth especially parenting and role model matters. I can keep on going but I do not want to take up too much space. Thank God my family has been serving our great community for many years as well. My wife Jila served on the Sisterhood for 10 years. My son Jonathan has been serving since he was 12 years old. At 12 he started the Youth Minyan in the back of our weekly Colbeh Minyan. After graduating College he started the Singles and Young Couples Minyan in the gym of Shaare Shalom which was very successful. Since 130 (YMJC) opened he has been one of the head Gabbayim and has been on the YMJC Board. My daughters Shirin and Debbie have both been serving the community on various committees as well. Ladies and Gentlemen, we have terrific candidates this year and I am sure everyone will do a great job. I know that you have a difficult job at hand on who to vote for but am sure you will do a great job. I would be honored if you vote for me as I believe I can do a great job serving on the Board and working for our great community. May God bless our great community and all that work so hard for our community.

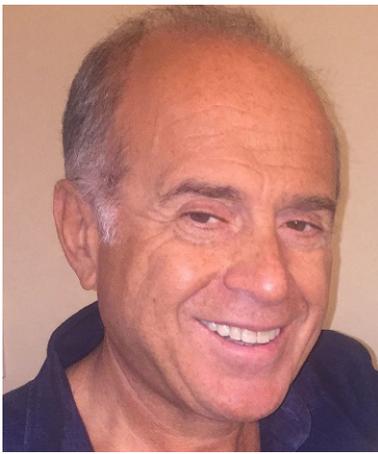

Simone Kamali

Gideon Levy

My name is Gideon Levy. I am a U.S. born Mashadi who is involved in many organizations that service our community, one being Hatzoloh for the past 20 years. I have been a board member of Shaare Tova, as well as Gabay. I have been a resident of Kew Gardens my whole life and I was here when Shaare Tova was purchased as land to become a synagogue to service our community. Since Shaare Tova has undergone several changes in the past several years, I believe that we MUST act quickly in accomplishing many issues that will secure the asset of the shule in the hands of the Mashadi's. I hope that in the next four years to be able to assist in accomplishing these tasks.

Shmuel Livian

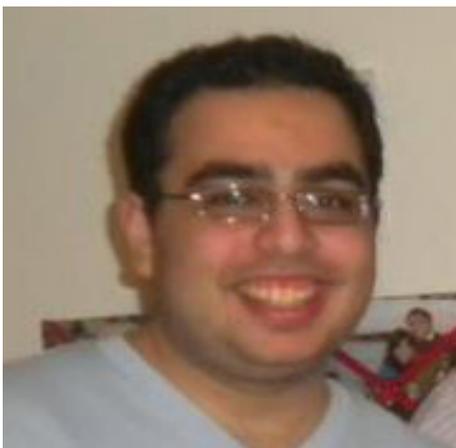

Faramarz Liviem

Shahrokh Liviem

My name is Shahrokh Liviem. I have previously been a member of the Shaare Tova Board. Over the past few years, under the guidance of Rabbi Avraham Nissanian, Shaare Tova has become a center of Torah Education well known by many Jewish Communities. Also, with the support of our board members, we were able to modernize the synagogue in many different ways. My goal is for Shaare Tova to grow financially and spiritually. I would like to advertise our beautiful ballroom and our new website so it can generate business for the Synagogue. I hope to serve the community in any way I can in order to preserve our Mashadi Heritage and improve our Communities needs.

Yaniv Moradi

Hi, my name is Yaniv Moradi. I was nominated by some of my friends and asked to join the board of Shaare Tova. I have been attending Shaare Tova practically my entire life. I grew up in Kew Gardens and I am a college graduate having attended Yeshiva University where I was part of Rabbi Ben Haim's shiur throughout my college experience. Since I graduated, I have been working as an Operations Manager at a Masahadi-owned Leather Company. I grew up in Shaare Tova attending the Kanissa every Shabbat and learned from our elders how great our community is. During my younger years in the Kanissa, I had attending my great uncle Haroun Kohanim's minyan for the youth that he started in Shaare Tova. I gained a lot of experience and eventually became the Baal Koreh of Shaare Tova. I have been reading the Torah in Shaare Tova for almost ten years now, and still going strong. Through my experiences, I have also decided to help teach Bar Mitzvah boys to share in what I learned and to teach the new generation. It would be an honor to serve on the board.

Danny Nassimi

Having been on this board for several terms and attended Shaare Tova for many years, I believe this is a good way for me to continue to serve the community.

Mehdi (Mike) Nassimi

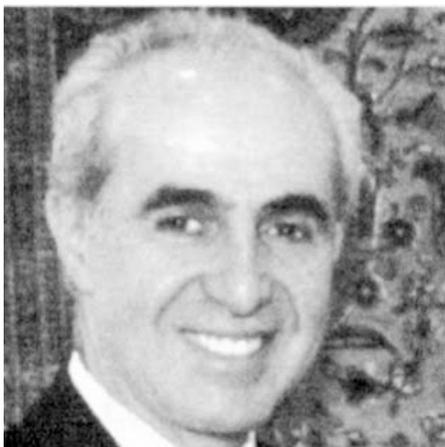

Goal:

To protect the asset of the community (Shaare Tova).

Mouris Nassimi

I am married and have four children. I am living in New York since 2003. I have been a member of the Board of Shaare Tova in past years. If elected, I will continue to support the Board of Shaare Tova to do what is necessary to the benefit of our community.

Jamshid Zar
