

YOM HASHOAH - HOLOCAUST REMEMBRANCE DAY

This year's Yom Hashoah program is scheduled for Thursday May 2nd at Ohr Esther. Our honorary guest speaker is Dr. Moshe Avital.

Dr. Avital survived six different concentration camps and was eventually liberated at Buchenwald. Travelling illegally to Israel, Dr. Avital fought in Israel's wars from 1947-1956. A well-known author and speaker, Dr. Avital's harrowing journey from victim to victor is one that you won't want to miss.

Please join us as we come together in memory of those that suffered in the Shoah. The program will include a speech by Dr. Avital, candle lighting ceremony and the revealing of the Middle School & High School winners of the Yom Hashoah Art, Writing & Film Contest.
