

The second annual UMJCA Sisterhood Mishloach Manot Initiative

Back by popular demand, and in an effort to greatly expand Achdut {Unity} in our community, ladies can register to have a name chosen for them to send a mishloach manot package, up to \$30 in value, to a new friend.

In order for the computer program to generate a name outside of your friend group, we are asking for your usual minyan information.

After the form is closed, you will be emailed the name of whom to send to.

This is open to ladies only. You are kindly asked to make and deliver your own packages.

Tizku Lmitzvot & Purim Sameach.
